

## **ENVIRONMENTAL POLICY STATEMENT**

At Gressco Ltd. we take our responsibility to the environment seriously. The Gressco Environmental Policy strives to:

- ❖ Review not only our procedures, but our contract manufacture suppliers to minimize the environmental impact in all aspects of the manufacturing process.
- ❖ Promote a complete company-wide recycling program incorporating a wide variety of recyclable products.
- ❖ Preach to all employees to continually review their efforts in protecting the environment by using the basic principals of waste minimization and elimination, pollution prevention and recycling.
